ATTENTION BOATERS!!

Did you know there is a Yacht club right here at West Shore Marina?

Welcome to the WEST SHORE YACHT CLUB!

West Shore Yacht Club was established in 2018 for the purpose of bringing together like-minded people within our boating community, who want to expand their boating experience and belong to a group of not only power boaters, but friends and family, and to enjoy the benefits of Yacht club membership. Boasting over 60 boat memberships, West Shore Yacht Club is currently having its annual membership drive.

As a member of West Shore Yacht Club, you will have reciprocal privileges at all other recognized yacht clubs in the United States. You will have access to organized cruises, club parties, social events, and all other planned club activities along with fund raisers and community boating events.

To join, fill out the attached application with your check made payable to WSYC and mail back to the PO box, and you're a proud member of one of the best clubs around. There is a one-time initiation fee of \$250.00 and the annual dues for 2021 are \$150.00, both due with application. Once a member you will receive a club burgee, a club membership card for the year 2021, reciprocity cards from the national association of yacht clubs of America, and a contact list of all our members along with an officer list and committee heads.

All club rules and by-laws are enforceable by the club board. West Shore Yacht Club does not and shall not discriminate based on race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in its membership. We are committed to providing an inclusive and welcoming environment for all members. West Shore Yacht Club reserves the right to approve or deny any applicant at its discretion when it is in the best interest of the club or its members.
