IMPORTANT DRY STORAGE PROGRAM INFORMATION

HAUL/LAUNCH PARAMETERS

<u>Boat Hauled</u>	—————▶	<u>Expected Launch</u>
SEPTEMBER	—————▶	MAY
OCTOBER	—————▶	APRIL
NOVEMBER	—————▶	MARCH

- Last out, first in. First out, last in
- No boats over 35 feet hauled after November 15
- Boats are hauled out during the week beginning Monday. There will be no set times or appointments made.
- Boats must be at Marina no later than Monday morning of your haul out week. If boat not here, boater forfeits haul out date and dry storage spot
- Boats must be ready to be hauled out by Monday rain or shine, no exceptions
- All sails must be off boat. A boat with sails on will not be hauled
- Remember to leave your boat keys with marina office or indicate if left on boat.
- 20% Early Haul Discount for boats hauled out in September (see Service desk for available discounted dates)
- Marina sets launch sequence and determines launch date
- You will get a letter in December with your launch date
- Launch dates may not be changed
- Boaters do not set their own launch date. Please keep in mind that your launch is determined by when you were hauled in the Fall
- Boaters who cannot meet their launch date may have their boat moved and will be charged for such move at posted rates
- All boats in by May 15
- Any boats in yard past May 15 subject to Yard Storage rates
- Any work requested prior to launch must be requested at time of contract execution.
- Additional work, change or cancellation of any work, must be requested at least 2 weeks prior to scheduled launch date
